Product Description:

Canon's convenient built-in Wi-Fi® is now available in the A-Series! The easy-to-use PowerShot A3500 IS digital camera lets you share high quality images with friends and family, right away and from virtually anywhere, with built-in Wi-Fi®. You can post to Facebook®, Twitter® and YouTube™, send to email, share with your tablet or smartphone, and even print to a wireless PictBridge certified printer. Experience true Canon quality with the sharp resolution and natural color of the 16.0 Megapixel sensor with DIGIC 4 Image Processor. Stay steady while you get in close and out wide with the 5x Optical Zoom and 28mm Wide-Angle lens with Optical Image Stabilizer, plus Intelligent IS for both your still images and video. Smart AUTO recognizes and finds the optimal settings for 32 predefined scenes, so you always get a great shot. 720p HD Video is smooth and vivid - just press the movie button and shoot! With the 3.0-inch LCD monitor, it's easy to frame and view your shots, and a handy Help Button provides simple explanations. The PowerShot A3500 IS makes it easy to get creative too, with fun shooting modes including Super Vivid, Poster Effect and Miniature
