Product Description :

The Canon Power Shot SX600 HS digital camera takes you up on the stage, down on the field or anywhere a great shot is happening! That's because tucked into its super-slim 1.02-inch profile is an astonishing feat of engineering: a high-powered 18x optical zoom. With a zoom this big in a camera this small, you'll be ready to capture all the moments that matter, whenever and wherever they happen. Built-in Wi-Fi lets you share the fun with friends and family right away - transfer images and video directly to select social networking sites, mobile devices and your computer. You'll also capture stunningly realistic 1080p full HD video, and use Hybrid Auto to automatically create an exciting highlight reel of an entire day's fun from quick video clips taken before each still. Ideal for the busy photographer looking to travel light, the Power Shot SX600 HS is the camera to slip into your pocket.
